Sincura Party

With the party season in full swing we are not hosting a monthly Sincura party in December – though if you are looking for another excuse to party with us then we invite you to our regular hosting at **Crystal Club** (www.sincura.com/crystalfridays) on **Friday 19th December**. Sincura members get in **free** all night, (Non-members: Girls free before 11pm, Guys £20) – but then Sincura members get in everywhere for free! No need to queue on the night as Sincura are running their own VIP door and the night will be hosted by two of the lovely **models of Sincura fashion** and includes free welcome drinks and **Judge Jules** spinning the tracks. One guest will win a **bottle of champagne on the night!**

New Years party

It is an ancient tradition of South Americans to wear white on New Years Eve and to party on the beach. For something different this New Years, Sincura members are invited to do the same. We are talking, of course, of **Diva Beach** - Chelsea's hottest new club! Everyone will be expected to be dressed in white and the ceiling and the back bar will be filled with dozens of **fireworks** that will be set off at midnight. **Dj's Dele and Nikki** will be playing all night and you will have a **champagne/cocktail and canapé reception** till 10.30pm. Tickets are only £50 pounds and be accompanied by a special bottle of Champagne from Sincura alcohol to mark the new years in style! (More details on our website).

This is just one of a host of parties available to members to suit every budget and taste, from quiet retreats away with friends to the most exclusive parties in every major city centre. Our events team are here to ensure your festive celebrations are flawless including full corporate events.

The sales have started early this year and we have a listing of High Street and Designer Sale dates on our website. From Anne Summers to Armani, Warehouse to Whistles you can see them at www.sincura.com/fashion. For those last minute gift ideas we have our personal shoppers at hand, or why not give your loved one a sample of a finer life with membership to Sincura – we have presentation memberships and packages available from as little as £50. For an alternative bargain art lovers should visit the Shoreditch Gallery who are bringing together 30 designers with everything being sold for anything from £1-£250.

The Christmas period is packed full of sports fixtures, as well as a full football schedule we also have tickets and packages for anything from the snooker and darts to the karting at Wembley. If you want to get up close and personal to the stars then Sincura members are invited to an **England Rugby Stars Christmas Lunch** with guests including former England and British Lions players Martin Bayfield, Will Greenwood, Richard Hill and Mike Catt on the 19th Dec.
